Archino Howe, P.E., and Biegel, ASLA, Achieve LEED Professional Accreditation

Cumberland (June 29, 2004) — Ann Archino Howe, P.E., LAP, a senior engineer with SYTDesign Consultants, has been awarded the title of LEED Accredited Professional in recognition of her expertise in the LEED Rating System and green building practices. Professional designation was also awarded to Peter Biegel, ASLA, a landscape architect practicing with SYTDesign Consultants. They are currently involved in two Maine LEED registered projects—the Coffin Street residence halls at Bowdoin College and a residence hall at the University of Maine at Farmington.

SYTDesign Consultants is a full service civil engineering and landscape architecture design firm located in Cumberland, Maine. SYTDesign Consultants is committed to sustainable and low impact development. For further information contact Ann Armstrong at (207) 829-6994.
